

# MCC Low German Family Services

Mennonite Central Committee Family Services provides services to the long established and growing Low German Mennonite community in South Central Manitoba.

Services provided:

- Documentation Work - Translation and assistance with the immigration process
- Access to Services - information and assistance with forms for provincial and local organizations that provide added income or supports to improve quality of life. Also volunteer provided transportation/translation

MCC Family Services networks with other service providers in the area as well as shares information and resources with other MCC offices that assist Low German Mennonites.
